**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic residential subscribers do exist, and members would be "materially affected". In fact, those effects would be profound; without access to UNE services, Sonic wouldnt have been able to connect consumers while they build our fiber networks, nor fund the construction of our fiber networks. And once fiber networks are built, UNEs are still used they connect from city to city and are the key backhaul for all of our fiber networks.
